

The screenshot shows the TryHackMe platform interface for a 'Passive Reconnaissance' room. At the top, there's a navigation bar with links for 'Dashboard', 'Learn', 'Compete', and 'Other'. On the right side of the header, there are buttons for 'Access Machines', a search bar, a notification bell with a red '1' badge, a 'Go Premium' button, and a user profile icon.

The main content area has a dark background with a red and black abstract graphic on the right. At the top left of the content area, it says 'Learn > Passive Reconnaissance'. Below that is a section titled 'Passive Reconnaissance' featuring a cartoon character with binoculars. It describes the room as learning about essential tools like whois, nslookup, and dig. The difficulty level is marked as 'Easy' and the duration as '60 min'. There are buttons for 'Share your achievement', 'Start AttackBox', 'Help', 'Save Room', and 'Options'.

A progress bar at the bottom of the content area indicates 'Room completed [100%]'. Below the progress bar is a list of tasks:

- Task 1 ✓ Introduction
- Task 2 ✓ Passive Versus Active Recon
- Task 3 ✓ Whois
- Task 4 ✓ nslookup and dig
- Task 5 ✓ DNSDumpster
- Task 6 ✓ Shodan.io
- Task 7 ✓ Summary

This screenshot shows the TryHackMe platform interface for an 'Active Reconnaissance' room. The layout is similar to the previous one, with a navigation bar at the top and a dark-themed content area.

The main content area has a dark background with a red and black abstract graphic on the right. At the top left, it says 'Learn > Active Reconnaissance'. Below that is a section titled 'Active Reconnaissance' featuring a cartoon character with a telescope. It describes the room as learning how to use simple tools like traceroute, ping, telnet, and a web browser to gather information. The difficulty level is marked as 'Easy' and the duration as '60 min'. There are buttons for 'Start AttackBox', 'Help', 'Save Room', and 'Options'.

A progress bar at the bottom of the content area indicates 'Room progress [52%]'. Below the progress bar is a list of tasks:

- Task 1 ✓ Introduction
- Task 2 ✓ Web Browser
- Task 3 ✓ Ping
- Task 4 ✓ Traceroute
- Task 5 ○ Telnet
- Task 6 ✓ Netcat
- Task 7 ✓ Putting It All Together
